

Management of the terminal dentition:

THE ALL-ON-4® TREATMENT CONCEPT

26th July 2024 | Adelaide, Australia

Overview

A 1 day introduction to the All-on-4® treatment concept as a way to manage the terminal dentition.

Course Information

LIMITED ATTENDANCE

Speakers: Dr Evan Jones and Dr Larry Bengé

Date and time: Friday 26 July 2024, 9.00am – 4.00pm (refreshments/lunch provided)

Venue: Fine and Fettle – 4/57 Magill Rd, Stepney Adelaide
www.fettleadl.com.au

Cost: \$700 +GST

CPD hours: 6 hours

Key Learnings

- Determining when a patient is 'terminal' and what factors to assess.
- Treatment options for those patients. When to treat, when to wait, when to refer.
- What is All-on-4®? The All-on-4® treatment process from assessment to insert.
- Discussing the All-on-4® process with patients. What information you need to give and collect to help guide patients to the treatment option that is best for them
- Surgical management of the All-on-4® patient. Medical and surgical assessment, management under LA, IV and GA
- Prosthetic and restorative management of the All-on-4® patient including Live Patient demonstration of immediate temporisation following surgery and work-up and insert of final bridges.
- Digital workflows.
- Complications, failures and how to manage

Dr Evan Jones

Dr Evan Jones' passion for helping rebuild his patient's smiles with dental implants fuelled his excitement for utilising the revolutionary All-on-4® procedure.

Graduating with a Bachelor of Dental Surgery from the University of Adelaide, he began a career in both metropolitan and rural clinics - quickly developing his oral surgery skills.

Having received training and mentoring by Next Smile Australia™ partners Drs Larry Bengé, Tony Rotondo and Paulo Malo, Evan has become one of Adelaide's leading All-on-4® surgeons. He is a member and South Australian president of the Australia Endodontic Society, a member of the ADA as well as the Australian Osseointegration Society.

Dr Larry Bengé

With over 40 years in dentistry and forever passionate about the art and business of dentistry, Dr Larry Bengé has become one of the nation's most respected dental surgeons in the proven All-on-4® treatment concept. His practice has an emphasis on reconstructive, aesthetic and implant dentistry, specifically the All-on-4® treatment concept of full-arch restoration.

He graduated from The University of Melbourne in 1980 with first-class honours in Dental Science, having first completed a Bachelor of Science with Honours at Monash University. Before partnering with Dr Paulo Malo in bringing the All-on-4® treatment protocol to Australia and founding Next Smile Melbourne and Sydney.
